Cell phone service

Cell phone service is very limited in the park and surrounding areas. General cell coverage areas are marked on the park map (back cover). **Emergency 911 service by cell phone is only available in coverage areas.**

During peak hours or seasons of heavy visitation, the cellular network may be slow or completely unavailable. As a courtesy to others, please silence your mobile device while enjoying Yellowstone's natural features.

Wi-Fi

Wi-Fi is available to visitors at the Mammoth Hotel restaurant lounge and the Old Faithful Snow Lodge, for a fee. Connectivity is very limited and may not be available at all times. The Horace M. Albright Visitor Center in Mammoth Hot Springs has free wi-fi.

Park Tip Line • To report a crime or criminal activity please call 307-344-2132. Leave as much detail as you can. Remain anonymous, or leave a name and number.

Accessibility

A printed guide for visitors who use wheelchairs is available at all visitor centers and on the park website. To arrange for an ASL interpreter for NPS ranger-led programs, call 307-344-2251 at least three weeks in advance.

Qualified service animals are welcome throughout the park and in all park facilities. However, they must be leashed and under your control at all times. A permit is required for a service animal to enter the backcountry due to potential wildlife conflict and safety issues.

Firearms

Know your responsibilities.

Firearms are allowed in national parks pursuant to state and federal regulation. They are prohibited in facilities where signs are posted, such as visitor centers, government offices, and some concession operations. Discharge of firearms is prohibited. Possession and use of weapons, such as air guns, bows and arrows, spears and slingshots, is also prohibited. Details are available at www.nps.gov/yell/parkmgmt/lawsandpolicies.htm
